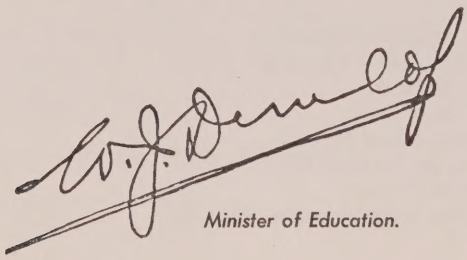
FOREWORD FROM THE MINISTER

In this modern age a pupil leaving school cannot expect to say good-bye to books and learning. No teacher can believe, when he has received his teaching certificates, that he has nothing more to learn. A true education is a process which goes on throughout one's life. That is why so many teachers make use of their summer vacation to advance their education.

Summer courses are offered by several of the Universities of Ontario. I hope that these courses will be largely attended in 1957 because they can furnish instruction of a special kind, and each University, having its own individuality, can contribute a distinctive character to its instruction.

The Department of Education, as this booklet indicates, continues to offer many summer courses, providing an opportunity for professional advancement as well as the acquisition of knowledge or special skills. I trust that the courses provided will prove attractive to a very large body of teachers.

I extend my best wishes to all teachers and my thanks for their successful efforts in the vital task they are performing.



Minister of Education.

February 13, 1957.

GENERAL INFORMATION

ADMISSIONS

1. The admission requirements for each course are outlined on the following pages. Teaching certificates mentioned are those issued by the Ontario Department of Education.

   Teachers-in-training at the Provincial Teachers' Colleges and the Ontario College of Education and teachers who hold Letters of Standing are eligible for admission to any of the courses for which they are otherwise qualified.

2. Application forms for admission to the courses should be filled in and addressed to the Deputy Minister, Department of Education, Parliament Buildings, Toronto.

3. For the satisfactory organization of the courses, applications should reach the Department **not later than May 25.** No assurance can be given that applications received later than this date will be considered. Late applications will not be considered in any courses where it becomes necessary to limit the enrolment. Applicants are advised that Letters of Admission may not be mailed from the Department before June 8.

4. If, as a result of the small number of applicants, the Department should decide not to provide a course, applicants for admission thereto will be duly notified.

TRANSPORTATION

Reduced fares will be granted by the Canadian Passenger Association to teachers and dependent members of their families who accompany them, from stations in Canada. The teacher should purchase a one-way ticket at full fare from his home station to the place of the Summer Course and obtain from the ticket agent a standard convention certificate. Upon presentation of this certificate, signed by the principal of the course, a ticket for the return journey may be purchased at one-half of the regular one-way fare. These reduced rates may be obtained during the three days before the opening of the course and not more than three days after the close of the course, not counting Sundays. Return tickets are valid for 30 days and will permit of stop-overs, but they must be presented within three days of the close of the course.

REGISTRATION

1. All applicants shall present themselves for registration not later than 9.00 a.m. on the first day of the session at the places at which the courses are to be given.

2. In the five-week courses the classes will be organized and the work will begin not later than the morning of the second day.

3. In the short courses the work will begin during the morning of the first day.

ATTENDANCE

Since the courses are brief and the work concentrated, regular attendance is required. There is no provision for admitting teachers who are not prepared to attend regularly for the full period of the course.

Since each Summer course is a complete unit designed to occupy the full attention of those attending, it is not possible for a teacher to be admitted to more than one course during the same period.

FEES

Each teacher admitted to a five-week course, with the exception of ex-service men and women, will be required to pay a fee of $10.00. The fee for a refresher course lasting two weeks is $5.00 and for a one-week refresher course it is $2.00. **Fees are payable in cash** at the opening of the course to the Principal in charge. Each ex-service man or woman who wishes to be exempted from paying fees must, at the time of registration, present documentary evidence of honourable discharge from active service.

Art

ELEMENTARY

To this course may be admitted an applicant who holds a Second Class or more advanced teaching certificate, or a Letter of Standing.

To enrol in this course no previous special training in art or crafts is necessary.

Those enrolled will be offered a wide choice of activities and units of study. Individual problems of the students will receive attention.

Students will complete several examples of art and crafts work and the integration of this work with other school activity will be stressed. Discussions of contemporary thought in philosophy, psychology and pedagogy connected with art and crafts will be held for those who are interested. Outstanding specialists in various fields of art will lecture on their particular fields, while the core work of the course will be guided by teachers who have had outstanding success in teaching in the ordinary classroom situation.
